

THE KPFA FOLIO

March 8 - March 21, 1965

VOL. 15, No.24

Published biweekly expressly for subscribers who keep KPFA on the air. The unusual arrangement whereby listeners, as sponsors, pay \$15 or more a year gives Pacifica stations their peculiar stamp and unique freedom. KPFA is one of three Pacifica stations. KPFK-fm serves Southern California, and WBAI-fm serves New York. All are non-profit and without commercial advertising.

Note: A date at the end of a program description is the date of an earlier or later broadcast of that program. An asterisk preceding a music listing means the performance is not commercially available.

94.1 on FM

Studios at 2207 Shattuck Ave., Berkeley 4
TH 8-6767 — YU 1-7730

KPFB is at 89.3, broadcasting the same programs to part of the East Bay.

Our cover photograph by Margaret d'Hamer is of Peter Voulkos at work in his studio.
Both are UC Design Department members.

SUMMARY No. 4 OF LISTENER QUESTIONNAIRE:

III. MUSIC

1. Please indicate how often you listen to the following types of music program:

	frequently	occasionally	never
Jazz	24%	41%	28%
Folk Music	26	52	16
Classical music	71	24	4
Contemporary music	21	45	25
Ethnic music	20	52	19
Live concerts	35	45	10
Recorded concerts	49	39	6
Lectures on music	18	46	28
Music criticism	16	44	33
Opera	23	44	28

2. When you listen to music, is it mostly:
on KPFA? 59% on another station (which?) 52% in stereo? 12%

3. Would stereo on KPFA measurably increase your listening?
NO 84% YES Not tabulated

4. Would you like more music between 7:30 and 11 p.m.? NO 50% YES 35%

5. Would you listen regularly to a concert after midnight NO 80%

The similarity of response to jazz, contemporary music and opera encourages me to make only one change in programming; the inclusion, where possible, of these kinds of music within our regular programming, which we're now doing regularly.

I should like to quote from a letter I recently sent to a subscriber: "KPFA is not a contemporary music station. KPFA is in fact not a music station, nor has it ever intended to be a music station. As I see it, KPFA is committed to broadcast material of significance to our culture and society, and my implementation of that commitment has been, and will continue to be, the broadcasting, first, of material which is not to be found elsewhere (since duplication of programming to be found on other stations seems no great service to our subscribers), and secondly, of programming the material we do broadcast in contexts which enhance individual compositions."

I suppose we have a further aim in our programming which is to present the music tradition in its entirety, as a living, expanding heritage. We are limited by our materials, our knowledge and the time at our disposal. We hope to approximate these goals.
